ELITE COMMUNITY SERVICES

Training Program

At Elite Community Services we are proud to offer a training program that supports our commitment to person-centered care, professional excellence, and meaningful outcomes for every member. Below is an outline of the core requirements and expectations for providers delivering respite, habilitation, and attendant care services.

Habilitation & Respite Services

Training	New Hire Timing	Recertification Timing
Orientation to ECS	Prior to Providing Services	Not Needed
Article 9	Prior to Providing Services	Every 3 years
CPR/FA	Prior to Providing Services	Every 2 years
Skill Building & Planning	Prior to Providing Services	Not Needed

Attendance Care Services

Training	New Hire Timing	Recertification Timing
Orientation to ECS	Prior to Providing Services	Not Needed
Article 9	Prior to Providing Services	Every 3 years
CPR/FA	Prior to Providing Services	Every 2 years
Direct Care Worker	Within 90 days of Services	Not Needed
Continuing Education	Not Needed	Every year

We are pleased to support our new providers with their initial and renewal certifications at no cost. Providers may elect to obtain training through an outside organization; however, such expenses are not eligible for reimbursement. Below is a list of DDD approved training programs and resources should you choose to receive training elsewhere.
